Good Afternoon,

Governor Sununu announced this afternoon that schools in NH would continue with a remote learning model through May 4. Please know that we will continue to support our students through this period. At this time, we still plan for our April vacation to occur from April 27-May 1. Also, you will receive a survey within the next few days regarding your experience with remote learning. Our goal is to identify and remove any potential barriers to learning. Thank you for your continued flexibility and patience during this challenging time.

Sincerely,

SAU9
