

2018 Summer Curriculum Project Proposal Form

If you are interested in engaging in curriculum work over the summer, please complete and submit the following form by May 25, 2018. All proposals will be reviewed by building principals and the superintendent's office. We will determine which projects will be approved for funding based upon proposal alignment to school and district goals as well as our available resources. All work must be completed and shared with the superintendent's office by August 24, 2018. Time sheets must also be submitted no later than August 24, 2018.
