

2018 Conway Rt. 16 Bridge Construction and the Impact on School Bus Transportation

Residents of Mount Washington Valley may have noticed signs in Conway Village noting the lane closure for the bridge on Route 16 over the Saco River. All northbound traffic will be rerouted beginning March 19th. Just like last year, the bridge will be open one way to southbound traffic only. Northbound traffic will be rerouted via Rte. 113 through Center Conway or West Side Rd & the Covered Bridge. While there are only a few bus routes that will be greatly impacted, we could see delays with all school bus transportation. A majority of the school bus routes in MWV should remain unchanged or have minimal impact from the bridge lane closure, however, traffic and other factors out of our control may play a part in transportation and timing. The current bus routes that will see the most impact will be to families and students living north of the Rt. 16 Bridge in Conway at the following bus stops: Benson's Trailer Park, Lamplighter Park, Lock Shop Loop, Poliquin Drive, Conway Pines and any stops in between. Those route adjustments are listed below for Kennett Middle, Kennett High and Conway Elementary School students. We will continue with the route adjustments until further notice this school year. As always, we will do our best to get students to and from school as safely and efficiently as possible. Thank you for your understanding and cooperation!

Information is also available online at www.sau9.org. For any questions or concerns, please contact SAU9 Transportation Coordinator, Gredel Shaw at 447-3626.

Kennett High School & Kennett Middle School Mornings:

NOTE: There will only be ONE stop at Shaw's Way from March 19th until the end of bridge closure

***Students should be out at their bus stop 5-7 minutes prior to bus arrival time.**

Kennett High School Morning Bus #5 for KHS students ONLY

Bus will be traveling North at time of pick up

AM Time	Stop – KHS ONLY
7:08	Conway Pines
7:09	Conway Trailer Park
7:11	Lamplighter's Trailer Park/ Benson's Trailer Park
7:14	Shaw's Way (ONLY ONE STOP)
7:17	Arrival at Kennett High School

Kennett Middle School Morning Bus #16 for KMS students ONLY

Bus will be traveling South at time of pick up

AM Time	Stop - KMS ONLY
7:10	Lamplighter's Trailer Park/ Benson's Trailer Park
7:11	Conway Trailer Park
7:13	Conway Pines
7:16	Arrival at Kennett Middle School

Kennett High School & Kennett Middle School Afternoons:

KMS & KHS students at Lamplighter's/Benson's, Conway Trailer Park and Conway Pines will ride Bus #13 until the bridge lane reopens and students will arrive home approximately 10 minutes later than usual. Bus #13 will leave KMS and travel North to deliver Redstone students on the way to Conway Pines, Lock Shop Loop & Lamplighters. Bus #13 will then pick up the route as planned at Quality Inn, Staples, and so on, and will be about 10 minutes behind schedule before arriving at John Fuller just before 3:30 PM. KHS & KMS Students at Depot Rd, Cross & Grove St & The Lane will transfer to Bus #16 for the remainder of the bridge lane closure.

Bus #16 should arrive at John Fuller close to regularly scheduled. Rerouting of this route will be effective March 19th through the end of the bridge work.

Transportation Changes for the Rt. 16 Conway Bridge Closure

Conway Elementary School Morning & Afternoon Route Adjustments

Conway Elementary School's "Red Triangle" school bus will see the most impact on its morning, afternoon and late bus routes during the bridge lane closure. In order to get students home as efficiently as possible, we have added second bus again this year for those bus stops north of the bridge (Lamplighter's/Benson's/Conway Pines/Etc). Rerouting of select bus routes will be effective March 19th through the end of the bridge lane closure. See adjusted routes the "Bridge Bus" below.

All other Conway El bus routes should remain unchanged or have minimal impact from the bridge closure. Traffic and other factors out of our control may play a part in transportation and timing. We will do our best to get students to and from school as safely and efficiently as possible. Thank you for your understanding and cooperation!

***Students & Parents should be at their bus stops 5-7 minutes prior to bus arrival time for the mornings AND afternoons.**

AM - Conway Elementary RED TRIANGLE

AM Time	Stop
8:00	Benson's Trailer Park
